Success Story

Persistence paves the way for success

Deepak Prajapat was a young boy who did not know what to do and was directionless after he completed his 12th standard, in the absence of guidance from his family. Although well-built and having a good personality, he was idling his time doing nothing other than roaming around with his friends. It was a problem for his parents also, since they could not persuade him to give up the company of his friends, who were of nuisance value to them. One day, the faculty member of ICICI RSETI, Udaipur visited his home as part of their mobilization drive and told his parents about the free training programme organized by RSETI and also informed Deepak to take the benefit of training to become an entrepreneur. Deepak liked the idea and enrolled himself for the training programme on **“Plumbing and Sanitary Works”**. He took keen interest during the training, trying to learn the skills that would help him succeed.

Upon completion of the training, he started working as a freelancer working at different sites to sharpen his skills and knowledge. After one year of gaining experience in the field, he decided to set up his own shop in the year 2015 at a cost of Rs.3 Lakh by investing Rs.1 Lakh mobilised from family sources and taking financial assistance of Rs.2 Lakh which included Rs.1.5 Lakh from HDFC Bank and Rs.50,000 from Rajasthan Marudhara Grameen Bank. He also obtained the required guidance in this regard from the RSETI.

After establishing his shop, he never looked back, as he had done enough preparatory work and market survey to gain experience and was also guided by the RSETI in setting up his shop. His shop started doing well and secured some good plumbing contracts since construction was going on in the neighbourhood of his shop. Gradually, he was able to expand his business and employed six persons to assist him. Presently, he is getting a net income of Rs.30,000 per month and is now a confident person and is pleased with his success. He owes a debt of gratitude to ICICI RSETI, Udaipur, which gave him necessary skills and guidance at the right time to start his career, as otherwise he would have gone astray. He attributes his success to constant learning as he kept himself updated with the latest developments in the field. Moreover, he believes in giving quality products and personalized service to each and every client, which has brought him lot of goodwill and increased business.

A number of factors stand out in his success such as keenness to learn, timely support and guidance from RSETI, constant efforts to update his knowledge, diligent market survey to assess the potential, focus on quality and personalised service and above all, persistence and self-confidence that he would succeed.

Deepak's story demonstrates how systematic efforts can bring change to succeed in life.

सफलता की कहानि

निरंतर प्रयास ही सफलता की कुंजी है: पापना मणि चंदना

जीवन में हमें अनेक विकल्प मिलते हैं, बस चुनने की समझ आवश्यक है। ठोकर लग कर गिर जाने पर हम कौन सा विकल्प चुनते हैं, यह महत्वपूर्ण है। जबकि कुछ लोग गिर कर उठने से इंकार कर देते हैं, कुछ लोग पापना जैसे भी हैं जो फिर से उठकर आशा की किरन की ओर चल पड़ते हैं।

आन्ध्र प्रदेश के गुंटूर ज़िले के कोठापेट गांव की श्रीमति पापना मणि चंदना दैनिक मज़दूरी किया करती थी जबकि उसका पति एक केबल ऑपरेटर था। उनकी कम आमदनी के कारण रोज़मर्रा के खर्चों को पूरा करना एक संघर्ष बन चुका था। फिर एक दिन थकी हारी पापना काम से घर लौट रही थी, तो उसकी नज़र एक खाद्य उत्पादन युनिट के बोर्ड पर पड़ी, जिसे उसका एक रिश्तेदार चलाता था। उस विज्ञापन में उसे आशा की वह किरन दिखी जिसने उसके जीवन को एक नया मोड़ दिया। उसने अपना खुद का उत्पादन युनिट आरंभ करने की ठान ली, किंतु उसके लिये १३ लाख रुपये की आवश्यकता थी।

कहते हैं कि भाग्य भी उनका साथ देता है जो हार नहीं मानते। और इसी बीच पापना को पी एम ई जी पी के तहत मिलने वाली लोन सुविधा की जानकारी मिली और बिना देर किये उसने आवेदन दे दिया। इसके उपरांत न सिर्फ़ उसे आंध्रा बैंक, कोठापेट से रु. १२,००,०००/- का लोन मिला

बल्कि उसे ए बी आर एस ई टी आई गुंटूर में १० दिवसीय ई डी पी प्रशिक्षण में भाग लेने का परामर्श भी मिला। इस प्रशिक्षण ने उसमें उद्यमशीलता के गुणों जैसे कि ग्राहक प्रवृत्ति, ज़ोखिम धारिता क्षमता एवं व्यवस्थित परियोजना आदि का विकास किया। उसने मुस्तैदी से ग्राहक आवश्यकताओं और आवश्यक संसाधनों का सर्वेक्षण किया, जिसके बाद उसने तीन कुशल कारीगरों के साथ एक इंस्टेंट चपाती एंड पूरी मेकिंग युनिट आरंभ की।

हालांकि शुरुआत में उसे उत्पादों की बिक्री हेतु कुछ कठिनाइयों का सामना करना पड़ा किंतु उसके निरंतर प्रयास और उत्तम गुणवत्ता उत्पादों के कारण धीरे धीरे उसका नाम होने लगा और वह सफलता की सीढ़ी पर अपना क़दम रख आगे बढ़ लगी। अब उसकी मासिक आय रु. ६०,०००/- है और साथ ही उसने ८ ग़रीब महिलाओं को अपने युनिट में रोज़गार भी प्रदान किया है। पापना अपनी कठिनाइयों को सफलता में रूपांतरित करने के लिये तहेदिल से ए बी आर एस ई टी आई गुंटूर का आभार व्यक्त करती है।
